SetOptInStatus

Overview

Set the Opt In Status of an email address via an http form post.

Please be sure to understand our Anti-SPAM Policy and understand that sending unsolicited email with HyperDrive is strictly prohibited and will result in cancellation of your account.

Email Opt In Status is not tracked per contact, but rather uniquely by the actual email address within the account.

Rules for OPT-IN: Only email addresses with an Opt In Status of "Unknown" can be Opted In via the API (You cannot overwrite a Spam Report, Opt Out, Bounce, etc.)

Rules for OPT-OUT and BOUNCED: Only email address with an Opt In Status of "Unknown" or "Opt In" can be Opted Out via the API

Rules for SPAM REPORT: Just like in the main system, a Spam Report cannot be undone, even via the API.   Use cautiously.
